

## Search for batteries by application

Field	Use	Primary battery					Secondary battery		
		CR Coin		CR Cylindrical	ER	SR/LR button	Li-ion		ML
		Conventional	Heat resistant				Coin	Prismatic	
<b>Communication/IoT device</b>									
	LPWA equipment	<input type="radio"/>		<input type="radio"/>	<input type="radio"/>		<input type="radio"/>		
	BLE (Bluetooth low energy) equipment	<input type="radio"/>				<input type="radio"/>			
	Communication tags, beacons	<input type="radio"/>	<input type="radio"/>				<input type="radio"/>		
	Smart meters (gas, water, electricity)			<input type="radio"/>	<input type="radio"/>				
	Commercial radios							<input type="radio"/>	
	Wi-Fi routers							<input type="radio"/>	
	AR/VR							<input type="radio"/>	
<b>Medical/Healthcare</b>									
	CGM (Continuous glucose monitoring)/insulin pens	<input type="radio"/>				<input type="radio"/>			
	Hearing aids						<input type="radio"/>		
	Capsule endoscopes					<input type="radio"/>			
	Medical thermometers, activity trackers	<input type="radio"/>				<input type="radio"/>			
	Infusion pumps							<input type="radio"/>	
	Wearable devices	<input type="radio"/>					<input type="radio"/>		
	DDS (Drug delivery systems)	<input type="radio"/>				<input type="radio"/>	<input type="radio"/>		
<b>Automotive</b>									
	TPMS (Tire-pressure monitoring systems)		<input type="radio"/>						
	ETC (Electric toll collection)		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>				
	Keyless entry systems	<input type="radio"/>	<input type="radio"/>						
	eCall (automatic emergency call service) devices			<input type="radio"/>				<input type="radio"/>	
	Seat location sensors		<input type="radio"/>	<input type="radio"/>					
<b>Disaster prevention/security</b>									
	Home security			<input type="radio"/>					
	Infrastructure monitoring (bridges, railways, etc.)		<input type="radio"/>	<input type="radio"/>					
	Fire/smoke alarms	<input type="radio"/>		<input type="radio"/>					
	Monitoring alarm sensors	<input type="radio"/>		<input type="radio"/>					
	AEDs			<input type="radio"/>					
<b>Industrial equipment</b>									
	Temperature data loggers (HACCP temperature loggers)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>			<input type="radio"/>		
	Logistics tags	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>					
	FA instruments (measuring instruments, onboard microcomputers, sensors)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
	Measuring tools (vernier calipers, etc.)	<input type="radio"/>					<input type="radio"/>		
<b>Other</b>									
	Mobile phones/smartphones							<input type="radio"/>	
	Smart watches, GPS watches						<input type="radio"/>		
	Wrist watches	<input type="radio"/>				<input type="radio"/>			
	Health and beauty equipment							<input type="radio"/>	
	Calculators, electronic dictionaries	<input type="radio"/>				<input type="radio"/>		<input type="radio"/>	
	Home game consoles							<input type="radio"/>
